

How To Change Email Account Quota

Please login to wemail control panel (<https://mail.wemail.hk:2222>).

Click "Email Accounts".

Select your email account -> click "Change"

Account	Login	Usage (Meg)	Suspended	Password/Quota	Outlook Settings	Select
wemailde10@wemaildemo.com	wemailde10	0.0000	No	change	Download	<input type="checkbox"/>
sales@wemaildemo.com	sales@wemaildemo.com	0.0195 / 1024	No	change	Download	<input type="checkbox"/>

Total Usage: 0.0195 Meg

Purge From: Spambox | All E-Mail | Suspend | Unsuspend | Delete

Change the Email Quota (by default 1024 MBytes, i.e. 1GB). If you want it to be unlimited, please input zero. Then click "Modify"

Email Quota is for managing the usage level of individual email account.

All email accounts usage total should be less than your hosting account storage space.

Modify mail account
